

STOCKTON STOVE

Using cast iron for the door and heavy gauge steel for the body, gas Stockton stoves combine simple understated lines with Gazco's latest living flame technology. This means you can enjoy an unrivalled coal or log effect fire together with heating performance that will keep your room really cosy on those cold winter evenings.

SOLID FUEL STOVES

Stoves are available in gas, electric and solid fuel allowing you to choose the fuel you want for your home. Whether you wish to have a traditional or contemporary stove, the Gas Shop has the perfect stove for you.
